

Why brand with iBee's?

iBee's

iBee evolved from IB of Indian Bakery

It helps to still be connected with brand INDIAN BAKERY locally. Also a short and unique name to emerge in new markets.

Ibee with a suffix "s" makes it more personal, responsible, comfortable to use, sounding more interesting..

iBee's

A new trendy, interesting and unique name to uplift the brand, match with the market trends and customer expectations. To be equally visible and prominent as competitors.
